Thank you all for helping me with My LOWE family. Grandparents, parents, my brother and me and my children and grand children, 1st-2nd gr grandchildren. I have sent the early Lowe Books and should be at at the library but starting these Books 1-2-3-4-5

Bk 5 will be my father's brothers & sister's line. I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

He lived most of his life in Adair and Macon Co., MO except for short period when he was in Stillwater, OK where he picked cotton. Laura didn't like it so she brought the girls back on the train and Henry came later with the boys.

He farmed most of his life, but had other odd jobs as well. After returning from OK he worked for J.H. Mikel Produce House. They picked up chickens and turkeys and drove large bunches as far as 50 miles to another produce house then drive more back on return trip. They had a 4 horse wagon hitch for this. In the winter time they would stop at farm houses to get warm.

By 1915 they moved to Yarrow to some land they were given by Laura's father. Then 1919 they bought land where they lived until 1956 when they sold it and moved to LaPlata.

Grandpa raised many crops but also raised cane to make sorgum. He had his sorgum mill down in the woods from the barn. One pint got as far as Oregon and was donated to the March of Dimes and was sold for \$5.00. (don't know when this was, but was written in the Kirksville paper)

They got electricity after several years and it was quite new to them. Even after they got it they didn't use it much at

first. They were used to lighting a lamp and just continued to but finally they got use to it and used it more.

For many years we had a family reunion every August when all the children, grandchildren and other relatives came to the farm. We all did look forward to those times. There wasn't any indoor plumbing or hot & cold water in doors but no one seem to mind. Then we had those feather ticks to sleep between at night, which was a treat as we all had regular beds.

Grandpa had a radio and he never missed Lum and Abner or the news. When they moved to town they purchased a TV but still played cards to pass the time in the evenings.

Besides the one trip to OK, they came to Bettendorf, IA in 1950 and then one year they went to Humboldt, IA for a family reunion after we stopped having them in Kirksville. First we had them about half way between here and there then stopped all together.

CHILD 4 - Unice "Pearl" (Dorothy) Lowe

BIRTH:: Bible record of Henry and Laura Lowe and Pearl herself.

MARRIAGE1: Bible record of Henry and Laura Lowe and Pearl herself.

MARRIAGE2: Info from Pearl, she said 1947 and obit says 1944, so need to check date. (both obit said 1944-Mexico)

Papers in Macon Co. MO in regards to some land dispute listed her as Pearl Lowe Thompson in Apr 1926, said she was married but a minor, under the age of 18 so they appointed a guardian for her to act in her behalf in reference to the land. (The land may have been in TX, Hildalgo Co.?)

DEATH: Obituary from Quincy paper, also widower Alex. She was know as Pearl to her family but went by Dorothy P. in Quincy which is what was on the obit. She died of cancer, only one if her family, most others heart attack She had been sick for about a year and wouldn't go to the Doctor. She took to her bed and Alex waited on her for months. He had had a heart attack just before but took care of her anyway. She lost over 100 pounds before she died. Alex's health failed after that.

Services held at Duker Funeral Home with Rev David Ericson officiating. She was buried in Coatsburg, IL in the Coatsburg cem.

Pearl was divorced from her first husband and after marriage to Alex they lived in Quincy, IL. They had grocery store and apartment house there for many years. They lived at 835 N 5th ST, Quincy, IL The grocery store was at 7th and Spring.

I found papers in Macon, Macon Co. MO where Pearl Thompson was adopted by Levi Douglas Thompson when a child and raised by them. (they were her grand- parents). She did live with them for a time but no one had told me she was adopted by them. Believe she always went by the name of Lowe though.

Mary, 3rd wife of Levi Douglas Thompson stated in document after the death of Levi for someone else to take care of anything legal for her adopted daughter Pearl Lowe Thompson.

Aunt Pearl never said anything about ever being adopted by her grandfather. She did live with them for few years but always went by name of Lowe.

Willard went through the 8th grade from Lone Star School, near where they lived in rural Adair Co. But it never seem to hold him back from doing what he wanted as he made a success of his life.

The first year of marriage he traveled some, trying to find a good job but never found what he really wanted, so after few months they lived with his parents shortly after they were married and helped with the farming, until soon after their first child was born, then they moved to another farm near Bullion, MO. This is where their second child was born. Their 3rd child was born in Davenport, IA and died few days after he was born.

By 1940 they decided they couldn't make a living at farming there so decided to move to Rock Island, Black Hawk Co., IL where he got a job with the Sturdevant Dairy. Would have been after 17 Apr 1940 as was still in Salt River Twp, Adair Co. MO in 1940 census.

By 1942 he had rented a farm near Hillsdale, IL but continued to work at the Dairy as well. He lost part of his index finger in a machine at the Dairy about this time.

March 1945 they moved to a farm near Maysville, Scott Co., IA where he farmed on the shares.

March 1948 they moved to a farm that he rented on what was then called The Iowana Farms, now is part of the town of Riverdale, across from the Alcoa plant. He farmed there and also worked at the Iowana Dairy in Bettendorf, IA.

March 1954 they moved to a farm on Devils Glen Road that he rented, still working at the Iowana Dairy. Did several different jobs there, was Forman when he was killed. His son Charles took over the farm and lived there till fall of 1991 when Alcoa decided to dissolve the farm to build houses.

Shortly after moving to Devils Glen Rd. he bought a couple apartment complexes. First time he owned property.

CHILD 6 - Willard Harlo Lowe (Continued)

Rovene sold them after he was killed as just to much work for her to keep up.

He was a 32nd degree Mason and belonged to the Blue Lodge of Davenport, IA, then joined the Hamilton Lodge AF & AM and also the Buffalo Bill Shime Club of Pleasant Valley, IA.

What spare time he had he liked to fish and play cards and go to dances. He also liked to play the harmonica and only played by ear but was quite good. He worked hard all his life to provide a good life for his family and did.

He never liked heights and had said right up to the last he wasn't going on a plane to Germany but he had gotten his passport and did in the end go. He did enjoy that trip. They traveled a lot and went to the east coast when Gladys lived in Maryland and enjoyed that also. That was about 1970 they went to Washington DC and Philidelphia, PA as well as Baltimore, MD.

He was killed when he was out feeding the pigs, as he had done so many times before, but the tractor apparently hit a rut just right and the tractor over- turned and killed him instantly. Rovene noticed she hadn't heard the tractor in a while and he hadn't come in so went to check and found the overturned tractor. I imagine that was quite a shock to come upon.

He was 5 ft 6 in and weight was about 150 pounds. He had black hair and hazel eyes. His health was good but did suffer from back problems and migrain headaches, as did his father.

CHILD 7 - Gale Alfred Lowe

BIRTH: Recorded in Henry and Laura Lowe's bible and Gale himself. However the family was living on a farm between Yarrow and Gifford in Adair Co. MO. at the time of his birth.

MARRIAGE: Recorded Kirksville, Adair Co. MO and Gale himself. They were married in a double wedding at the First Christian Church in Kirksville, MO with Robert B. Straw and Miss Lora Winchell.

DEATH: They were Living in Renwick, IA and he died at home. He had been in a hospital for about 7 weeks before he came home about a week and half before he died. He had emphysema for several years and slowly got worse until his heart just gave out. He was buried at the Lake Lutheran Church cemetery where they were members which was about 4 miles outside Renwick, IA.

Gale had a 9th grade education from Adair Co. MO.

He left home very young, about 17 or 18 and went to work on a farm in Oakland, IA (which is where his two older brothers were) Then he went to Rock Island, IL and worked at the Arsenal for a while before he was married. His other brother was living there at the time. Then he worked at the Sturdevant Dairy for a while after he was married. Eleanor was sister to Gale's older brother Floyd's wife. They are still living in Renwick, 50577 Box 22 (1990) but are trying to sell their house so they can moved into Humboldt. 1992 they were still living in Renwick and as for now Eleanor will stay there.

He liked to fish and play Bingo and dearly loved to play cribbage and he was real good at it.

His obituary was in Humboldt paper 27 Feb 1992: "Gale A. Lowe Funeral services for Gale A. ## IN MEMORIAM

### IN MEMORIAM

In memory of Henry Lowe who passed away one year ago, Feb. 2.

Where he sat and talked with us,

There's just an empty chair;

And the silence now at evening

Seems more than we can bear;

Though we knew that some day,

There would be that empty chair,

Yet we could not picture

Home without him there;

We never fully realized

How deeply one can care,

Until he was taken from us

And left the empty chair.

Missed by wife and children.

IN MEMORIAM

IN MEMORIAM

In memory of Henry Lowe who  
passed away one year ago, Feb. 2.

Where he sat and talked with us,  
There's just an empty chair;  
And the silence now at evening  
Seems more than we can bear;  
Though we knew that some day,  
There would be that empty chair,

Yet we could not picture  
Home without him there;  
We never fully realized  
How deeply one can care,  
Until he was taken from us  
And left the empty chair.

Missed by wife and children.  
Laura Lowe.

Regrettably, capital punishment is an issue too often decided by the passion of the moment, not carefully calculated logic. It preys to our darker nature, and presumes that you can end violence with more violence. And because of endless legal appeals, the cost to the taxpayers for an execution is far greater than incarceration for life.

I realize I'm in the minority on this issue, but capital punishment is not good public policy. In February 1993 the NSP surveyed legislators on the issue and here's what they said:

*In favor of the death penalty:* David Millage, Steve Grubbs, Mona Martin, James Hahn, Jack Rife.

*Against the death penalty:* Maggie Tinsman, Mark Henderson, Pat Deluhery.

*Not sure:* Bob Rafferty, Sheldon Rittmer, Richard Drake.

### Apology is a sign of strength

As a society, we need to get over the idea that it's wrong to apologize. To me, it's a sign of strength, not weakness. Nobody is perfect and an honest apology goes a long way toward restoring integrity and trust. That's why Sheriff Mike Bladel's apology in the Bob Thain fund raising rodeo is so refreshing (see page 19). Wouldn't it be

It's easier said than done. A single bad stroke can screw up a good round quicker than you can bat an eye. Contrarily, a single great stroke can salvage self-respect for even the least serious of duffers.

The secret is not to be seduced into thinking you're a scratch golfer the moment you make a par or two. We'd all like to play better, but only a select few make the PGA and of those, at every tournament all are runners-up except one.

Moral of the story: You can have more fun if you try to do your best but don't worry if you don't. If you still can't have fun, try horseshoes, it costs less and close counts.

### Who misses baseball?

The notion of taking yourself too seriously brings to mind the baseball players and owners. The 1994 season is over and they're still preening and posturing. While we support the owners' quest for a salary ceiling, the big market and small market franchises needed to get their own acts together before leaning too heavily on the Players Association.

Bottom line is this: Millions of dollars that would have been spent at the ballpark will be spent elsewhere or remain in bank accounts creating capital that can do good
